

## REMARKS

Applicants have amended the specification to correct several typographical errors in the description of the related applications. In particular, the filing date of Application No. 08/824,501 has been corrected. In addition, an indication that U.S. Patent No. 5,910,854 is "now abandoned" has been deleted since this is clearly in error. Entry of these changes is respectfully requested.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
